Forest Home Scavenger Hunt - Fall 2020

DIRECTIONS:

- Please be sure to follow social distancing practices at all times, including wearing a mask and maintaining a distance of at least 6 feet from other participants.
- As you are walking around the neighborhood, please take a moment to say “hello” to your neighbors who are out on porches or walking around.
- You may look for clues in any order. In fact, it's better if not everyone begins in Zone 1 to help with social distancing.
- You may bring dogs as long as they are leashed and you pick up after them.
- For your convenience, you may want to use the trail through the WildFlower Garden area connecting Zone 1 and Zone 4. This trail is marked on your map with a double dotted line.
- For your safety, we recommend that you use the Forest Home Walkway to access Zone 3 including Crest Lane and Fairway Drive. The walkway can be accessed from Zone 2 between 200 FH Drive and 206 FH Drive, and is marked on the map by a double dotted line. Please also be careful crossing Warren Road.
- Once you have completed the hunt, swing by the Forest Home Park (by the downstream bridge) to pick up your participation certificate, to pose for a picture if you'd like, and to converse with other "hunters" in the vicinity.
- Be sure to guess how many candies are in the jar located in the park.
- Have fun, be safe, and if you have any questions, there will be support staff stationed in the Forest Home Park to assist you.
